

## **Prior Authorization/Pre-Certification Policy**

Dear Patient:

The physicians and staff of Fort Wayne Cardiology would like to familiarize you with our prior authorization/pre-certification policy.

We strongly recommend you check with your employer or insurance company regarding whether or not prior authorization is necessary for services/procedures performed at Fort Wayne Cardiology.

If your insurance company requires pre-certification, please call us at 260-481-4785, and we will be happy to assist you with this process.

Remember, representatives of your insurance company are the only ones qualified to explain the terms and benefits of your policy. Ultimately your insurance contract is between you and your insurance company.

Fort Wayne Cardiology believes that patient awareness is essential in the ever-changing environment of medical insurance coverage.

Thank you for your attention concerning this matter. If you have any questions, please feel free to call us at 260-481-4785.
